## EDUCATION

**Stony Brook University, Stony Brook, NY**

Aug 2024 – Dec 2026

Master of Science in Applied Mathematics and Statistics | GPA: 3.7 / 4.0

## SKILLS

**Office & Productivity:** Microsoft Office (Word, Excel, PowerPoint, Outlook), Google Workspace, Adobe Acrobat (Professional/DC Reader), Zoom

**Data & Reporting:** Tableau (Certified), Power BI, Excel (pivot tables, formulas), SQL, Python

**Core Strengths:** Customer Service, Conflict Resolution, Confidentiality, Time Management, Team Collaboration, Budget Management, Scheduling, Record Keeping

## EXPERIENCE

**Graduate Student Assistant – Pre-College Summer Program — Stony Brook University**

May 2026 – Present

- Coordinate logistics and execution of residential and academic programming for the Pre-College Summer Program, supporting check-in/out, daily events, scheduling, and participant engagement.
- Serve as a central point of contact and problem-solver between program directors, professional staff, and student staff — streamlining communication and resolving issues in a fast-paced, high-energy environment.
- Respond to prospective and enrolled participants and parents by email and phone, providing accurate program information and guiding them through the application and enrollment process.
- Collaborate with professional staff to design creative programming and support recruitment and training of summer student staff.
- Maintain participant records, schedules, and program data in Google Workspace and Excel; serve on the emergency response team and as primary on-call residential contact ensuring participant safety and policy adherence.

**Graduate Research Assistant – Sleep Research (CUBIT) — Stony Brook University**

Apr 2026 – Present

- Perform data quality checks on sleep study data from participant wearables, supporting clinical research on insomnia and depression.
- Maintain reproducible records and documentation under Prof. Christine DeLorenzo, handling confidential participant data per university and IRB standards.

**Office Assistant — Chapin Area Office, Stony Brook University**

May 2025 – Present

- Manage front-desk operations: answer incoming calls, respond to resident emails, schedule appointments via Outlook, and track daily activity in Excel.
- Handle sensitive resident information — keys, access requests, and personal records — with strict confidentiality and attention to detail.
- De-escalate resident conflicts through clear communication and partner with Residence Hall staff on escalations; support high-volume move-in and move-out periods under pressure.

**Treasurer — Graduate Student Organization (GSO), Stony Brook University**

May 2025 – May 2026

- Manage a \$900K+ annual budget across 10+ funding lines, processing 1,200+ reimbursement and funding approvals for 8,000+ graduate students.
- Track financial documentation, enforce submission deadlines, and maintain records in Excel and university financial systems.
- Communicate daily with students and organization leaders to resolve funding questions, clarify policies, and process requests accurately.
- Collaborate with the GSO executive board on budget allocations and reports; handle confidential financial and student information per university policies.

**Software Engineer — Accenture**

Dec 2020 – Oct 2023

- Built and maintained data pipelines consolidating information from multiple banking systems, improving data preparation efficiency by 25%.
- Contributed to fraud detection analytics on 1M+ banking transactions, helping reduce false positives by 20% through careful testing and iteration.

## ACTIVITIES & ACHIEVEMENTS

- Representative, Campus Safety Advisory Committee (CSAC) — representing 5,000+ women at Stony Brook University.
- Represented India at the FIFA World Cup 2022 (Qatar) in a 35-day international cultural program.
